STAT

Dear [REDACTED]

Thank you so much for your interest and help in setting up our PROJECT UPDATE meeting on the afternoon of Friday, May 9th. The participants greatly enjoyed our meeting with Dr. Smith last spring, and look forward to what is sure to be another highly valuable discussion.

Enclosed, as per request, is a roster of the students who will be in Washington. You will note that one of the men is a Canadian citizen. I know that your policy prohibits foreign nationals from entering the building, and though we would hope that Mr. Galfour would be able to take part in the discussion, he has assured me that he will understand if that is not to be possible.

Once again, thank you for your help in setting up a seminar which is being greatly anticipated, and for your assistance to us last year. Looking forward to a stimulating afternoon, I remain

Very truly yours,

Thomas Farrell

Thomas Farrell

Chairman of Project Update

P.S. In reply to your question as to who will be spokesman for the group, that would be me.
